

# Renters Insurance Programs

Residents make mistakes, now you don't have to pay for them

Resident-caused damage often leads to financial hardships for apartment residents and the property. Traditional renters insurance programs are difficult to implement resulting in low resident participation—typically less than 20%. RegistryTLC® enables you to improve resident participation. Improved renter participation can lower your repair cost, which saves time and improves profitability.

Innovative insurance programs designed for high resident participation

We offer four unique renters insurance programs designed specifically for the property owner—this provides you the flexibility to select the best program for each community.

## Renters Insurance Select<sup>SM</sup>

- ▶ Full renters insurance policy—resident liability & contents
- ▶ Menu of available coverages for special items such as jewelry or art
- ▶ Resident enrollment and payment handled through a secure website, without leasing staff intervention

## Community Blanket Policy<sup>SM</sup>

- ▶ Property insurance that covers the apartment community against resident-caused damage due to specified perils
- ▶ Covers all occupied units
- ▶ May be used with Renters Insurance Select or alone

## Resident Liability Policy<sup>SM</sup>

- ▶ Most affordable option to help residents comply with lease requirements
- ▶ Resident enrollment and payment handled through a secure website, without leasing staff intervention

## Renters Advantage Policy<sup>SM</sup>

- ▶ Resident liability coverage for the property owner
- ▶ Simple process provides property owner with control
- ▶ Names the property owner as the primary insured and pays claims directly to the owner
- ▶ Provides optional contents coverage for residents' belongings
